HON F.C.COLBORNE NOW HEADS DMA ASSUMED PORTFOLIO MAY 27

... From Public Works

The Honourable Fred C. Colborne, D.F.C., MLA for Calgary Centre, succeeded the Hon. E.H. Gerhart as Minister of Municipal Affairs, May 27. Formerly Minister of Public Works, Mr. Colborne is followed in that Department by the Hon. Albert Ludwig (Calgary East). The Hon. E.H. Gerhart (Edmonton Northwest) continues as Attorney General.

The Hon. F.C. Colborne is the 16th Minister of Municipal Affairs if the two periods served by the Hon. E.H. Gerhart are considered to be one Ministerial service for the purposes of the count.

In addition to Municipal Affairs, Mr. Colborne is to have a number of other responsibilities in government. He continues as Chairman of the Human Resources Development Authority (HRDA) and he will be Chairman of the Provincial-Municipal Advisory Committee. When the Legislature is in session, he is the government house leader. Another extra duty will be his active involvement in the work of the Executive Council's New Towns Committee. Alberta Emergency Measures is now assigned to the Department

of Municipal Affairs and so he becomes the Minister-in-Charge of that organization.

Son of F.C. and Ruby Colborne, both Canadian, the Hon. Fred Colborne was born November 14, 1916, in St. John, N.B. He came west to Calgary with his parents at the age of two.

After his early education at St. Mary's Boys High School, Calgary and Vancouver College, Mr. Colborne was in the field of radio broadcasting 1935-39. This was followed by 5 1/2 years in the RCAF during World War II. A majority of this wartime service was as a pilot on anti-submarine operations in the North Atlantic and he was awarded the Distinguished Flying Cross for two attacks on an enemy U-Boat in that time. At discharge in October, 1945, he held the rank of Wing-Commander. Later he was Alberta Manager, Western Airlines.

Mr. Colborne's provincial public service began when he was first elected to the Alberta Legislature in 1944 as the Airforce Servicemen's Representative (non-political). This resulted from a special election held among armed services personnel from Alberta.

The years 1947-48 saw him serve one term as alderman in his city of Calgary.

In provincial public service, Mr. Colborne was returned as a Calgary MLA in the general elections of 1948, 1952, 1955, 1959, 1963 and 1967. He was first appointed to the Cabinet as Minister without Portfolio, August 2, 1955. On November 30, 1962, he moved over to be Minister of Public Works, a position he held until this transfer to Municipal Affairs. He succeeded the Hon. H.E. Strom as Chairman of HRDA, December 17, 1968.

On November 8, 1940, Mr. Colborne married the former Mary Elizabeth Harvey, daughter of Dr. and Mrs. W.P. Harvey of Calgary. The Colbornes reside in Edmonton now and have eight children, five boys and three girls.

The Honourable Fred C. COLBORNE (right) takes his oath of office as MINISTER OF MUNICIPAL AFFAIRS on May 27, 1969, before the Honourable Dr. J.W. Grant MacEwan, Lieutenant Governor of Alberta.

... NEW AND AMENDED LEGISLATION

MUNICIPAL ACTS SUMMARIZED

Some of the more important, new or amending pieces of legislation passed at the last session of the Alberta Legislature, some or all of which may affect municipalities, were summarized in a letter sent May 23 from Bruce Ramsay, Chief Municipal Inspector, to the municipal secretary of every municipal district, county, town and village.

Some of the items listed in the summary are given here. They refer to 24 Acts. It is emphasized, however, that reference should be made to the appropriate Act or Amendment obtainable from the Queen's Printer when exact information is required on any specific item.

• The Agricultural Chemicals Act

This Act provides for a measure of control over the use and handling of agricultural chemicals with special emphasis on those agricultural chemicals which are defined as pesticides.

Section 14 states that every municipality shall appoint inspectors to administer this Act and the regulations, within the municipality.

A municipality includes towns, new towns, villages, counties and municipal districts.

• The Alberta Hospitals Act

New Sections 11, 11a and 11b set out procedures by which non-district hospitals can be integrated with hospital districts.

Section 11c provides that where the residents of any part of a municipality, which is not included in a hospital district are served by a hospital, the municipality may undertake to pay funds for operating or capital purposes to the hospital by agreement with its governing board.

MUNICIPAL ACTS SUMMARIZED (Continued from Page One)

• The Agriculture Service Board Act

The amendments to this Act make its provisions applicable to a Special Area.

• The Alberta Housing Act, 1968

Under public housing, the amendment will affect Section 14, subsection (1), clause (a) which will be replaced providing for a municipality to issue debentures as provided in the Municipal Government Act, except that the by-law authorizing the borrowing will not require the assent of the proprietary electors. This amendment will also apply to land development projects.

With respect to land development, provision is made in Section 12, subsection (2), clause (c) for the construction and/or acquisition of housing units under such a program.

Under urban renewal, a new section 15, subsection (3) has been added which basically requires a municipality to hold public hearings and announce its intent to proceed with an urban renewal scheme and offer the individuals residing in a given urban renewal area the opportunity of making representation to the municipality prior to the execution of an agreement between the municipality and the federal and provincial governments.

For the purpose of preparing or implementing an urban renewal scheme, Section 19, subsection (1), clause (a) is amended by allowing a municipality to issue debentures as provided in the Municipal Government Act except that the by-law authorizing the borrowing does not require the assent of the proprietary electors.

A new Section 20a has been added which provides for the Province and a municipality to jointly guarantee the repayment of principal and interest on all or part of the borrowing made by a person for the private development of a housing project.

A new Section 21a has also been added which relieves a municipality from compliance with certain provisions of the Expropriation Procedures Act as it is related to the implementation of urban renewal schemes only.

• The Alberta Lords Day Act, 1969

This Act repeals and replaces the Alberta Lords Day Act.

This Act authorizes municipalities by by-law to allow certain activities in addition to sporting events on Sundays after 1:30 p.m. and to provide that a vote of the electors on the by-law is only required if a petition for a vote is received.

• The Alberta Municipal Financing Corporation Act

Section 25 subsection (1) clause (i) has been amended to permit the corporation to loan money to municipalities and to accept and receive therefore notes, bonds, debentures or other securities and to purchase the notes, bonds, debentures or other securities of such municipalities. Previously the corporation could only accept and receive debentures of the municipalities.

• The County Act

Section 5 is amended to provide that after the establishment of a county, the Local Authorities Board may by order change the boundaries of the county in the same manner as similar changes may be made in a municipal district. This amendment also provides that the Minister may by order change the number of areas of the electoral divisions.

Section 11, 15 and 16 are amended to change the reference "a first meeting" to "the organizational meeting".

References in the Act to "secretary treasurer" have been changed to a "municipal secretary".

Sections 16a, 16b and 17 have been amended to provide that the number of towns and villages within the boundaries of the county that are included in the county for school administration purposes, entitled to representation on the school committee of the county is now

IT' LL LEAVE COUNCILLORS SPEECHLESS

Winnipeg and Toronto are collaborating on a new electronic system that could leave some members of council speechless.

Winnipeg first tried the equipment last year and now Mayor William Dennison of Toronto has borrowed the equipment on trial from Mayor Stephen Juba of Winnipeg.

When one minute of an alderman's speaking time is left an amber light glows. When the time is up a red light goes on and the speakers microphone is cut off.

In Alberta, the City of Edmonton gave consideration to a similar system last year and rejected it mainly on the point of view that invoking such time limits may be impractical.

Unslightly litter along roadsides and picnic grounds may be a thing of the past. A Swedish brewery is experimenting with a plastic bottle that will disintegrate in two years after being discarded and left in the sun. The new bottle will remain stable as long as it is full, but will deteriorate when empty and exposed to the sun.
